**TO:** NPL Clients

**FROM:** Rhonda Burgard, MPA, MT (ASCP) BB Client Services Supervisor

**RE: Biohazard bags**

Due to COVID-19 demands for specimen transport bags, we are unable to obtain a supply of our current specimen transport biohazard bags from our supplier. The new Lab-Loc replacement bags will be the same size but have a different adsorbent and will look a little different.

If you have any questions or concerns please contact Rhonda Burgard, Client Services Supervisor at 701-530-5700.
